COVERED PARTS

COVERAGE is limited to the parts listed below.

Covered Parts are listed next to the Vehicle systems to which they are related. The **VEHICLE SYSTEMS** listed are NOT Covered Parts.

ENGINE: Cylinder block; cylinder heads; all internally Lubricated Parts; timing gear, chain and belt; water pump. Cylinder block and heads are only covered if damaged by a covered internally Lubricated Part.

TURBOCHARGER/SUPERCHARGER (Factory Installed Only): Turbocharger/Supercharger housing; turbo boost valve; turbo waste gate, actuator, bearing, bushing and all other internal parts. Turbocharger/Supercharger housing are only covered if damaged by a covered internally Lubricated Part.

TRANSMISSION: Transmission case and all internally Lubricated Parts; torque converter; vacuum modulator; flywheel/flex plate. Transmission case is only covered if damaged by a covered internally Lubricated Part inside transmission case.

TRANSFER CASE: Transfer case and all internally Lubricated Parts. Transfer case is only covered if damaged by a covered internally Lubricated Part inside transfer case.

DRIVE AXLE(S): Drive axle housing and all internally Lubricated Parts; drive shafts; drive axle case is only covered if damage is caused by a covered internally Lubricated Part.

AIR CONDITIONING: Compressor; compressor clutch, pulley and coil; orifice tube; P.O.A. valve; expansion valve; high/low switch; pressure switch; accumulator; drier; blower motor; condenser.

ELECTRICAL: Alternator/generator; voltage regulator; starter motor; starter solenoid; starter drive; ignition switch; power window switch; power window motors and regulators; blower switch; rear window defroster switch; power trunk release switch; power lock switch; power door lock actuators; turn signal switch; headlamp switch; brake light switch; wiper motor switch; wiper motor.

FUEL: Fuel delivery pump, fuel injection pump (excluding diesel engines) and metal fuel lines.

SEALS and GASKETS: Seals and gaskets are covered only as part of repair or replacement of the above Covered Parts. Leaking seals and gaskets are not Covered Parts.
